

# Alibi

Ringo Starr

You came into my life when I was looking for an alibi  
You looked in my eyes and I could tell you no lie  
I was making life, feel all right, but it wasn't good  
Lookin' at you, lookin' at me, I knew you understood

I've been down for so long, looking for a good disguise  
Feelin' sorry for myself, I didn't realize  
That I was digging holes, acting roles with no lines to say  
I was losing sleep, counting sheep that never went away

I was waitin' for you to come into my life  
Making up stories or looking for an alibi

Now we're together, it's gonna be never, we'll be parted again  
I've loved you since the day we met and that was way back when

I was making life, feel all right in the same old way  
I'm digging holes, acting roles with no lines to say

I was waitin' for you to come into my life  
Making up stories, looking for an alibi  
Looking for an alibi

Oh, looking for an alibi  
Oh, those alibis
