

Choose Love

Ringo Starr

Dark clouds in my head disappear
The sky is turning blue, now you're here
We've come a long way, day after day
We still got a long way to go
You've got to pay your dues, if you want to sing the blues
But no matter what you choose
Choose love

"The Long and Winding Road" is more than a song
"Tomorrow Never Knows", "What Goes On"
To live your life right You've got to let in the light
And let all the darkness go
You've got to pay your dues If you want to sing the blues
But no matter who you choose, Choose love

Love, love, love, love, love
Choose Love!

You've got to pay your dues If you want to sing the blues
But no matter how you choose
You've got to pay your dues If you want to sing the blues
But no matter what you choose
Choose love

Choose love
Choose love
Choose love

(Love is the answer)
