

# Confirmation

Ringo Starr

Sometimes I'm up  
Sometimes I'm down  
Sometimes I'm lost  
Sometimes I'm found

I look at you  
And I can see  
Why I stuck around  
It's clear to me

If I knew then  
What I know now  
I'd do it all again with you anyhow

We've been together  
From the very start  
It wasn't easy  
But we had the heart  
We didn't know  
What we'd have to go through  
I'm just so happy  
That I did it with you.

If I knew then  
What I know now  
I'd do it all again with you anyhow.

Confirmation  
When I look at you  
Confirmation  
That this thing is true  
Confirmation  
That we got it right  
Confirmation  
That we're here tonight

Some people try  
Can't make up their minds  
But you and I  
We've known all this time

At the end of the day  
When the sun goes down  
So glad to say  
That we're still around

If I knew then  
What I know now  
I'd do it all again with you anyhow

Sometimes I'm up  
Sometimes I'm down  
Sometimes I'm lost  
Sometimes I'm found

I look at you  
And I can see

Why I stuck around  
It's clear to me

If I knew then  
What I know now  
I'd do it all again with you anyhow
