

## English Garden

Ringo Starr

I want you to see all of the flowers  
We'll shoot to breeze for hours and hours  
Buttercups grow, high at the towers  
What do I see, I beg your pardon  
Barbara and me in our English garden.

Barbara, buster and me in our English garden  
(and you too Monty) in our English garden.

Someone's knockin' at the door  
Someone's ringin' my bell  
Someone's knockin' at the door  
Someone's ringin' my bell.
