

# I Keep Forgettin'

Ringo Starr

I keep forgettin' you don't love me no more  
I keep forgettin' you don't want me no more  
I keep forgettin' that you told me that you  
Didn't want me around any more

But these stupid old feet  
Just head for your street  
Like they've done so many times before

And this stubborn old fist  
On the end of my wrist  
Starts knocking on your front door

I keep forgettin' you don't love me no more  
I keep forgettin' you don't want me no more  
I keep forgettin' about those heartbreaking nights  
And those heartbreaking things that you said

Though I know in my heart  
We've drifted apart,  
Still I can't believe our love is dead

Though it's plain as can be  
That you're finished with me  
I just can't get it through my head

I keep forgettin' you don't love me no more  
(You don't love me no more)  
Don't love me no more  
(Love me no more)  
I keep forgettin' you don't love me no more

I keep forgettin' you don't love me no more  
I keep forgettin' you don't want me no more  
I keep forgettin' about those heartbreaking nights  
And those heartbreaking things that you said

Though I know in my heart  
We've drifted apart  
Still I can't believe our love is dead

Though it's plain as can be  
That you're finished with me  
I just can't get it through my head

I keep forgettin' you don't love me no more  
(No, you don't love me no more)  
Don't love me no more  
(Oh, you don't love me no more)  
I keep forgettin' you don't love me no more  
(Yo)
