

I Think Therefore I Rock and Roll

Ringo Starr

A happy man I did encountered
said to thyself be true
one and one is only one
until you become one with you
everywhere you look is lovely
if love is what you choose to see
nothing's hard as you can make it.

It's as easy as one, two, three
here's my philosophy.

And he said:
to be or not to be
I don't care
the question is
are you alive out there
it don't take brains
just heart and soul
I think, therefore I rock'n'roll.

I met the amazing woman
she means all the world to me
in her eyes I saw our futur
she opened my mind to see
she's my serenety.

And she said:
to be or not to be
I don't care
the question is
are you alive out there
it don't take brains
just heart and soul
I think, therefore I rock'n'roll.

Somewhere, sometime
just look inside
you are the life-line
somehow, time flies
it feels so good
to cry baby cry.

It's as easy as one, two, three
that's my philosophy.

And I said:
to be or not to be
I don't care
the question is
are you alive out there
it don't take brains
just heart and soul
I think, therefore I rock'n'roll.
