

I Wanna Be Santa Claus

Ringo Starr

I wanna be Santa Claus
I wanna get all the toys
Just like Santa Claus
I'd give them away
To all the girls and boys

Then if I could be Santa Claus
Coming through for everyone
And the gifts that I'd bring
Could make your heart sing
We'd have so much fun

Santa Claus is someone
Who comes just once a year
But I could be there every day
Bringing Christmas cheer

I wanna be Santa Claus
I wanna ride in the sleigh
Then I'd fly through the air
And catch you a star
Tonight for Christmas day

Santa Claus is someone
Who comes just once a year
But I could be there every day
Bringing Christmas cheer

If I could be Santa Claus
I'd make every dream come true
And sign every card exactly the same
With love from me to you

Ooh

(I wanna be, I wanna be Santa Claus)
I wanna be Santa Claus
(I wanna be, I wanna be Santa Claus)
I wanna be Santa Claus

Doo-doo-doo-doo-doo, doo-doo-doo-doo
(I wanna be Santa Claus)
I wanna be Santa Claus

Merry Christmas everybody
Hoo! Hoo! Hoo! Hoo! Hoo!

"What would you like for Christmas, little Pudel?"

It's a waltz, it's a waltz and I'm happy
