

King of the Kingdom

Ringo Starr

She is The King of the Kingdom
She tells me I'm in command
Some day she's a towering inferno
Together you live and you leave
She's straight on the track
You don't have to look back
I can't wait till it's time to return

She is The King of the Kingdom
She tells me I'm in command
She is The King of the Kingdom
But I'm in charge of the band
I am the man with the plan
So let's sing praises for Haile Selassie
One love is just plenty for me

One love
One heart
Bob Marley always did it for me
One love
One heart

Keep in time on a musical journey
[?] like though the sounds you may hear
But how long I'm away
I wake for the day
To go back to the love I hold dear
Back to the love I hold dear

She is The King of the Kingdom
She tells me I'm in command
She is The King of the Kingdom
But I'm in charge of the band
I am the man with the plan
So let's sing praises for Haile Selassie
One love is just plenty for me

One love
One heart
Bob Marley always did it for me
One love
One heart
