The moon up above, it shines on upon our skin Whispering words that scream of outrageous sin We all want the stuff that's found in our wildest dreams It gets kinda rough in the back of our limousine

That's what we are, we all want a love bizarre That's what we are, we all want a love bizarre

A strawberry mind, a body that's built for two A kiss on the spine, we do things we never do Swallow the pride and joy of the ivory tower

We'll dance on the roof, make love on a bed of flower That's what we are, we all want a love bizarre

The moon up above, it shines on upon our skin Whispering words that scream of outrageous sin We all want the stuff that's found in our wildest dreams It gets kinda rough in the back of our limousine

That's what we are, we all want a love bizarre That's what we are, we all want a love bizarre
