

# Love Me Do

Ringo Starr

Love, love me do,  
You know i love you,  
I'll always be true,  
So please

Love me do,  
Love me do.

Love, love me do,  
You know i love you,  
I'll always be true,  
So please

Love me do,  
Oh, love me do.

Someone to love,  
Somebody new.  
Someone to love,  
Someone like you.

(hey!)

Love, love me do,  
You know i love you,  
I'll always be true,  
So please

Love me do,  
Oh-oh, love me do.

Ah, play it to me, steven!

Love, love me do,  
You know i love you,  
I'll always be true,  
So please

Love me do,  
Oh-oh, love me do,  
Oh-oh, love me do,  
Oh-oh, love me do,  
Yeah, love me do,  
(love me do, love me do, love me, love me do, love me do, love me do)  
Love me, let me love you.  
(love me do, love me do, love me, love me do, love me do, love me do)  
Love me, let me love you.  
(love me do, love me do, love me, love me do, love me do, love me do)  
Love me, let me love you, love you.  
(love me do, love me do, love me)

Love me!

Love, love me do,  
You know i love you,  
I'll always be true,  
Love, love me do,

You know i love you,  
I 'll always be true,  
Love, love me do,  
You know i love you,  
I 'll always.
