

Night and Day

Ringo Starr

Night and day, you are the one,
Only you beneath the moon and under the sun.
Whether near to me or far,
It's no matter, darling, where you are, i think of you,
Night and day.

Day and night, why is it so,
That this longing for you follows wherever i go?
In the roaring traffic's boom,
In the silence of my lonely room, i think of you,
Night and day.

Night and day, under the hide of me,
There's, oh, such a hungry yearning
Burning inside of me.
And its torment won't be through
Till you let me spend my life making love to you,
Day and night, night and day.

And its torment won't be through
Till you let me spend my life making love to you,
Day and night, night and day.
Day and night, night and day.
