

# One

Ringo Starr

Light is fading darkness coming soon  
Feeling lonely in this empty room.

Something's been going wrong  
I'm barely holding on  
And it's true.  
All it takes is.

One girl for just one minute  
One world but you're not in it  
One girl.  
All it takes is one.

Lately I find I'm feeling insecure  
Is it just me I'm not really sure?

Something's been going on  
I know it won't be long  
And it's true.  
All it takes is.

One girl for just one minute  
One world but you're not in it  
One girl.  
All it takes is one.

It's getting very late  
Why did she go away  
I needed her to stay  
Look at the state I'm in

Something's been going on  
How could I have been so wrong  
And it's true. All it takes is

You girl for just one minute  
My world but you're not in it  
One girl.  
All it takes is one.

One girl for just one minute  
One world but you're not in it  
One girl.  
All it takes is one.
