

Right Side of the Road

Ringo Starr

Hey what 'cha doin'
It's not what you do
The only one you're foolin'
Isn't me, it's you
Didn't I try to tell you
You're carrying a much too heavy load
You're on the right side
Of the wrong side of the road.

Headin' for disaster
Something's gotta change
You're only movin' faster
Almost out of range
Headfirst in a bad direction
Till you got no place left to go, no, no, no

You're on the right side
Of the wrong side of the road.

Somebody already told me
Oh just what I'm telling you
I learned, ask anyone who knows me
I believe you can do it too.

Tell me you are open
To be turned around
You're never really too lost
To be found.
Maybe choose another direction
You got so many ways to go.

Try it on the right side
Of the right side of the road.
Try it on the right side
Of the right side of the road.
