

# Speed of Sound

Ringo Starr

I'm on the road, I'm on the run  
Don't want to look back at what I've done  
The many miles, it gets to go  
Some days are high, some days are low

I know what I've got to do  
And I've got to do it right now  
And this one thing is true  
I got to break it through,  
I'm breaking through  
At the speed of sound.

Some nights are high, some nights are low  
Some months go fast and some go slow  
I've been told time and time again  
It's not about if, it's all about when

I know what I've got to do  
And I've got to do it right now  
And this one thing is true  
I'm breaking through,  
Breakin' through  
At the speed of sound.

I'm breaking through,  
I'm breaking through,  
I'm breaking through,  
At the speed of sound

I'm breaking through,  
I'm breaking through,  
I'm breaking through,  
At the speed of sound

I've been told time and time again  
It's not about if, it's all about when  
I know what I've got to do  
And I've got to do it right now  
And this one thing is true  
I'm breaking through,  
I'm breaking through,  
I'm breaking through,  
At the speed of sound

I'm breaking through,  
I'm breaking through,  
I'm breaking through,  
At the speed of sound  
I'm breaking through,  
I'm breaking through,  
I'm breaking through,  
At the speed of sound  
I'm breaking through,  
I'm breaking through,  
I'm breaking through,  
At the speed of sound
