Rise Against

(Gethsemane!)

It was the perfect night Then you had to go and ruin it with a kiss now I'm trapped inside here The innocence we held once so carelessly Has been suffocated in this breathless moment

[Chorus:] Believe in me and I will believe in you You're asking of me everything So I'll give it all to you

With arms raised to the stars begging them to listen With legs littered with scars cut from these olive branches Now, point of return now crossed and our hands left shaking Tonight we give in to temptation

[Chorus:] Believe in me and I will believe in you You're asking of me everything So I'll give it all to you

Someone stop my mind from screaming It's so loud I can't her myself think Life, Death, Religion, Survival It makes no sense Never try to tell me that I'm a coincidence

[Chorus: 2x] Believe in me and I will believe in you You're asking of me everything So I'll give it all to you

And if I never have you, then I can never lose you Now, everything here is a lie Where is the truth? Where is the fucking truth?
