Her name is Lara, we learned a lot ah  
How to do it, like we do it, like we wanna  
We just know

I ain't one sided, I'm open-minded  
I'm fifty-fifty and I'm never gonna hide it  
You should know, eh  
You should know, ay

All summer we've been in the 'bu  
68 Chevy with nothing to do  
Just rolling J'S, kush lovin'  
And last night, yeah, we got with the dude  
I saw him, he was lookin' at you  
So I said hey, kush lovin'

Sometimes, I just wanna kiss girls, girls, girls  
Red wine, I just wanna kiss girls, girls, girls  
Sometimes, I just wanna kiss girls, girls, girls  
Red wine, I just wanna kiss girls, girls, girls  
Girls, girls, girls, girls, girls

You know I tamed it, and then I named it  
I put the lion in the cage and then I laid with her  
All night (all night)  
Her all night, yeah  
I'm the hunter and she the prey, yeah  
I'm the thriller and the killer  
And the saviour, up all night  
We up all night, yeah  
Do it one more time

All summer, we've been in the pool  
68 Chevy with nothing to do  
Just rolling J'S, kush lovin'

Red wine, I just wanna kiss girls, girls, girls (yeah yeah, yeah yeah)  
Sometimes, I just wanna kiss girls, girls, girls (you know that I do)  
Red wine, I just wanna kiss girls, girls, girls  
Girls, girls, girls, girls, girls
