

Cry, Cry, Cry

Ritchie Valens

Well, now my baby's gone
She left me all alone
Well, now my baby, tears fall
I don't have no one home
Ev'ry night so dark and lonely
My heart is heavy, like a stone

Cry, cry, all night
Ooh-ooh-yeah
Well, now little darlin'
Come back home

Yeah-yeah, one time
Come on, little darlin'
Oh, one more time
Come on and say a-you'll be mine
Now that you gone and left me
I'll always have you on my mind

Cry, cry, all night
Ooh-ooh-yeah
Well, now little darlin'
Come back home

Well, now little baby
I'm 'onna leave my home cell
I'm gonna try and lose you
From outta my head
And then if I can't lose you
I'm 'onna die in my bed

Cry, cry, all night
Ooh-ooh-yeah
Well, now little darlin'
Come back home.
