

# Little Girl

Ritchie Valens

Well now, little girl  
You hurt me, so  
Oh now, little girl  
Don't you treat me, so

Well now, little girl  
My heart's broke in two  
Oh now, little girl  
Why can't you be true?

Well now, girl  
I'm gonna say, 'Goodbye'  
Oh, please, please, girl  
I can't see you cry

So now, little girl  
Promise me you'll do  
Oh-oh, little girl  
Just say you'll be true

Well now, little girl  
I'm gonna say, 'Goodbye'  
Oh please, little girl  
I can't see you cry

So now, little girl  
Promise me, you'll do  
Oh-oh, little girl  
Just say, you'll be true

Ooh-ooh  
Ooh-ooh.
