

Now You're Gone

Ritchie Valens

Well now, I'm sitting here alone
Wondering what I'll do
Whoa, little darlin'
Where, where are you?
Whoa-oh

Well now, I just don't know
What I'll do-hoo-hoo
Darling, just 'cause I don't have you
That's why I'm so-ho-ho blue
Whoa, uh-oh

Try darlin'
You're the only one for me
And they'll never be
No, no, I'll tire of you
Whoa-uh-uh-oh

Well now, that I've tried
Just wishing and praying for you
Well, there is no one
No one like you
Uh-ooh

Now, you're the only one, I love
And I'll al-ha-ha-all, always
Love you, so
Love you, so, uh-uh-ooh-oh

Love, ooh love
Oh-ho-oh-ooh-ooh
But you're gone

Ooo-ooo
Ooh, now that you're gone.
