## Now You're Gone

## **Ritchie Valens**

Well now, I'm sitting here alone Wondering what I'll do Whoa, little darlin' Where, where are you? Whoa-oh

Well now, I just don't know
What I'll do-hoo-hoo
Darling, just 'cause I don't have you
That's why I'm so-ho-ho blue
Whoa, uh-oh

Try darlin'
You're the only one for me
And they'll never be
No, no, I'll tire of you
Whoa-uh-uh-oh

Well now, that I've tried Just wishing and praying for you Well, there is no one No one like you Uh-ooh

Now, you're the only one, I love And I'll al-ha-ha-all, always Love you, so Love you, so, uh-uh-ooh-oh

Love, ooh love Oh-ho-oh-ooh But you're gone

Ooo-ooo Ooh, now that you're gone.
