

## On My Way

Rival Sons

Wont you please turn down my light  
Let the shadows fall on my eyes  
Please don't leave me by myself  
No I don't wanna be alone  
Sometimes is a stranger almost through my mind  
And Is opening all my doors  
Sometimes his eyes ahead seem blind  
From whats been with me all alone

I'm on my way  
I'm on my way back to you  
I'm on my way  
I'm on my way  
I'm on my way back to you  
What can I say?  
That hasn't already been said

If we say nothing  
Something sure will come  
So let's not say too much tonight

Lets make it shadow from the inside out  
yes let's just keep let them shout  
just keep let them shout  
I'm on my way  
I'm on my way back to you  
I'm on my way  
I'm on my way  
I'm on my way back to you  
What can I say?  
That hasn't already been said

Oh! I'm on my way
