

Open My Eyes

Rival Sons

Too many people,
Coming out of doors
In and out of my life
In the night, in the day,
I've got to make it on my own

Somebody asked me,
How do you do it?
Tell them that I'm justified
But the truth to myself
You know I feel so alone

Somebody, somebody, somebody
Come and open my eyes
Somebody, somebody, somebody
Come and open my eyes

Complicate the matter
Playing on the weakness
Taking all of my time
I'll go down, with the ship
To the bottom like a stone

Falling off the ladder
Holy water hell hound
Folding like a jack knife
But the truth to myself
You know it cuts through the bone

Somebody, somebody, somebody
Come and open my eyes
Somebody, somebody, somebody
Come and open my eyes

Somebody, somebody, somebody
Come and open my eyes
Somebody, somebody, somebody
Come and open my eyes
Yeah, somebody, somebody, somebody open my eyes
Somebody, somebody, somebody open my eyes

Somebody, somebody, somebody
Come and open my eyes
Somebody, somebody, somebody
Come and open my eyes

Somebody, somebody, somebody
Come and open my eyes
Somebody, somebody, somebody
Come and open my eyes
