

# Until The Sun Comes

Rival Sons

I know you think you've heard it all before  
But you'll be telling stories of tonight  
Get it left, get it right, get it up and down  
And through it all I'll be staring at your eyes

And we can dance  
We can dance  
Until the sun comes up  
And we can dance  
We can dance  
Until the sun comes up  
Until the sun comes

And if you don't believe what I say  
I'll kiss your eyes if you're in doubt  
Get it left, get it right, get it up and down  
This building might burn but we'll be making out

And we can dance  
We can dance  
Until the sun comes up  
And we can dance  
We can dance  
Until the sun comes up  
Until the sun comes...

And we can dance  
We can dance  
Until the sun comes up  
And we can dance  
We can dance  
Until the sun comes up

And we can dance  
We can dance  
Until the sun comes up  
And we can dance  
We can dance  
Until the sun comes up  
Until the sun comes...
