

Back To You

Riverdales

Do you know, it's always like you to see
The cruel feeling inside of me?
Is it so hard to believe, what you do to me?
Cause many times I think that there'll be no one else
I hope time will heal itself
But more than ever, it's what I wanna believe

Whoa-oh, whoa-oh, I need you
Whoa-oh, whoa-oh, I do
Whoa-oh, whoa-oh, I need you now
But I know that I'd be a fool, to go back to you

The many times, I have tried to run away
To overlook (still vulnerable) to every word you say
Is it so hard to believe, what you do to me?

And I can't help it, I get sentimental
It's inevitable, it drives me mental
I know it's the way you'll always be

Whoa-oh, whoa-oh, I need you
Whoa-oh, whoa-oh, I do
Whoa-oh, whoa-oh, I need you now
But I know that I'd be a fool, to go back to you

Whoa-oh, whoa-oh, I need you
Whoa-oh, whoa-oh, I do
Whoa-oh, whoa-oh, I need you
Whoa-oh, whoa-oh, I do
