

## Back To You

Riverdales

Do you know, it's always like you to see  
The cruel feeling inside of me?  
Is it so hard to believe, what you do to me?  
Cause many times I think that there'll be no one else  
I hope time will heal itself  
But more than ever, it's what I wanna believe

Whoa-oh, whoa-oh, I need you  
Whoa-oh, whoa-oh, I do  
Whoa-oh, whoa-oh, I need you now  
But I know that I'd be a fool, to go back to you

The many times, I have tried to run away  
To overlook (still vulnerable) to every word you say  
Is it so hard to believe, what you do to me?

And I can't help it, I get sentimental  
It's inevitable, it drives me mental  
I know it's the way you'll always be

Whoa-oh, whoa-oh, I need you  
Whoa-oh, whoa-oh, I do  
Whoa-oh, whoa-oh, I need you now  
But I know that I'd be a fool, to go back to you

Whoa-oh, whoa-oh, I need you  
Whoa-oh, whoa-oh, I do  
Whoa-oh, whoa-oh, I need you  
Whoa-oh, whoa-oh, I do
