Rivermaya

Am I real? Do the words I speak before you make you feel
That the love I've lay for you will see no ending?
Well if you look into my eyes then you should know
That their's nothing here to doubt nothing to fear
And you can lay your questions down 'cause if you'll hold me
we can fade into the night and you'll know
CHORUS:
The world could die and everything may lie
Still you shan't cry 'Cause time may pass
But longer than it'll last I'll be by your side
Take my hand And gently close your eyes so you could understand
That there's no greater love tonight than what I've for you
Well if you feel the same way for me then let go
We can journey to a garden no one knows
Life is short my darling tell me that you love me
So we can fade into the night and you'll know
The world could die and everything may lie
steal you shan't cry 'cause time may pass
And everything won't last but I'll be by your side
Forever by your side.
i want you to know the world could die and everything may die
still you shan't cry cause time may pass and everything wont la
st i'll be by you'r side
forever by you'r side
forever by you'r side
so you wont cry.
