

# The Princess Of Disguise

Rivermaya

And she'll say she'll  
Make you feel alright  
And she'll say she'll love you  
More than life  
Like a living fairy tale  
You've got to believe her  
So behold  
The greatest show on earth  
Ladies and gentlemen  
The Princess of disguise  
And she don't love you for  
Just your money  
(Money don't turn her on at all)  
Funny, when i lie i feel so funny  
(Funny, i feel that today)  
Like a modern heart attack is  
How much you need her  
So put your hands together  
The princess has arrived...
