## Wild Angel Candy

Spare me words of wisdom It won't change the truth There's a hole in your head And The devil's in your shoes Thursday gave me freedom From the psycho-saving art Monday showed you someone Could tear your pride apart I don't need no Wild angel candy Wild angel candy, can't take (it/you) no more Save your words of wisdom It don't change the truth There's a whore in your bed And your pride don't fit in your boots Thursday gave me freedom From my baby-sitting part Monday showed you someone Could tear your soul apart
