

# The Same River

Riverside

I stay... I swear... I am... I can...

(2x)

Please take a walk with me  
Let me know - Am I to blame?

I stay... I swear... I am... I can...

As you know  
I've always...  
As you know  
I've always loved you and I know I will always, I will always

(2x)

Please take a walk with me  
Let me know - Am I to blame?

As you know  
I've always...  
As you know  
I've always loved you and I know I will always, I will always,  
I will always love

[Part IV (I am)]

I am your fear, I am your hope  
I am your grief, I am your joy

I know... I can... Wanna stay...  
I know... I can... Wanna stay...

I am your deed, I am your word  
I am your hate, I am your love

I know... I can... Wanna stay...  
I know... I can... Wanna stay...
