```
I stay... I swear... I am... I can...
(2x)
Please take a walk with me
Let me know - Am I to blame?
I stay... I swear... I am... I can...
As you know
I've always...
As you know
I've always loved you and I know I will always, I will always
(2x)
Please take a walk with me
Let me know - Am I to blame?
As you know
I've always...
As you know
I've always loved you and I know I will always, I will always,
I will always love
[Part IV (I am)]
I am your fear, I am your hope
I am your grief, I am your joy
I know... I can... Wanna stay...
I know... I can... Wanna stay...
I am your deed, I am your word
I am your hate, I am your love
I know... I can... Wanna stay...
I know... I can... Wanna stay...
