

## Fine With Me

Rizzle Kicks

Tuck into some peanuts and shit

Spit out the bitter when life isn't sweet yeah  
That's fine with me, fine with me  
Just for today if nothing goes my way well  
That's fine with me, fine with me  
Coz I'm in the place  
Where nothing could happen  
To the smile on my face no, no  
Just for today if nothing goes my way oh  
That's fine with me, fine with me
