RJD2

This good thing will soon be ending  
Beyond the beyond, Beyond the beyond  
These cold winds will leave you empty  
Beyond the beyond, Beyond the beyond  
This good thing will soon be ending  
Beyond the beyond, Beyond the beyond  
These cold winds will leave you empty  
Beyond the beyond, Beyond the beyond

This good thing will soon be ending  
Beyond the beyond, Beyond the beyond  
These cold winds will leave you empty  
Beyond the beyond, Beyond the beyond  
This good thing will soon be ending  
Beyond the beyond, Beyond the beyond  
These cold winds will leave you empty  
Beyond the beyond, Beyond the beyond
