

Beyond The Beyond

RJD2

This good thing will soon be ending
Beyond the beyond, Beyond the beyond
These cold winds will leave you empty
Beyond the beyond, Beyond the beyond
This good thing will soon be ending
Beyond the beyond, Beyond the beyond
These cold winds will leave you empty
Beyond the beyond, Beyond the beyond

This good thing will soon be ending
Beyond the beyond, Beyond the beyond
These cold winds will leave you empty
Beyond the beyond, Beyond the beyond
This good thing will soon be ending
Beyond the beyond, Beyond the beyond
These cold winds will leave you empty
Beyond the beyond, Beyond the beyond
