

Games You Can Win

RJD2

You greenhorns might cruise your way
From the basement at mom's,
To a little face time someday
With the man and the clowns, but
Will it last long,
Long,
But will it last long,
Long,
Path of ambition's a field of gray,
But then it won't clear
And the decisions that make grown men cry,
Are waiting right here
In the wings to appear,
Appear,
In the wings to appear,
Appear
Keep your mouth shut 'til you get 'em in,
And only play the games you can win
Play your hand close,
Like you had a glass chin
Now let's begin
Keep your mouth shut 'til you get 'em in,
And only play the games you can win
Play your hand close,
Like you had a glass chin
Now let's begin
Nobody gets to know the one right way,
'Til they do the wrong ones
You can only foresee your own quaint
Little fears and problems,
In the hopes to become,
Become,
In the hopes to become,
Become
And with his own handicap at hand,
He's a reckoning force
He'll eat alive all the young he sees,
Who aspire to be
The proud and the sure,
The sure,
The proud and the sure
The sure
Keep your mouth shut 'til you get 'em in,
And only play the games you can win
Play your hand close,
Like you had a glass chin
Now let's begin
Keep your mouth shut 'til you get 'em in,
And only play the games you can win
Play your hand close,
Like you had a glass chin
Now let's begin
Keep your mouth shut 'til you get 'em in,
And only play the games you can win
Play your hand close,
Like you had a glass chin
Now let's begin

Keep your mouth shut 'til you get 'em in,
Only play the games you can win
Let's begin
Let's begin
Let's begin
Let's begin
Let's begin
Let's begin...
