

Here's What's Left

RJD2

You are gone.
I'm so all alone.
Here's what's left of my happy home.
"She'll be back"
That's what i said
As i stare at the ceiling.
'Cause i need you baby.
Oh, how i miss you baby.
'Cause i need you baby.
Oh, how i miss you baby.

'Cause i need you baby.
Oh, how i miss you baby.
'Cause i need you baby.
Oh, how i miss you baby.
You are gone.
I'm so all alone.
Here's what's left of my happy home.
"She'll be back"
That's what i said
As i stare at the ceiling.
'Cause i need you baby.
Oh, how i miss you baby.
'Cause i need you baby.
Oh, how i miss you baby.
