## **Blood & Flames**

## **Roadrunner United**

You thrust the knife into my side with words you say you Realize That I came to speak of what I see no matter what you do to me I stand --- no compromise --- I feel --- prepared to die Falling, our lives were led astray when we fell from grace Calling, your life won?t be denied when washed with blood and Flames You thrust the knife into my side with words you say you Realize I stand --- no compromise --- I feel --- prepared to die My life for yours, this raging war, as I stand in the midst of Darkness screaming Falling, our lives were led astray when we fell from grace Calling, your life won?t be denied when washed with blood and Flames My life for yours, this raging war, as I stand in the midst of Darkness screaming We know our roots, we know the truth, the strength of our Foundations I stand --- no compromise --- I feel --- prepared to die Falling, our lives were led astray when we fell from grace Calling, your life won?t be denied when washed with blood and Flames My life for yours, this raging war, as I stand in the midst of Darkness screaming We know our roots, we know the truth, the strength of our Foundations
