

No Mas Control

Roadrunner United

I will burn la condicion
Que me infecta
No es tu control
Que me afecta
My infliction
One dimension
Dispossession
I

I gotta get out from this whole
I gotta release el control
I gotta get out

Respect is got to be
Mi libertad la solucion
I never
Will surrender
Mi decision
Mi conviction
Mi division
I

I gotta get out from this whole
I gotta release el control
Y lo que me quema
No son tus problemas
You're bringin' me down, down, down

No more

No mas control
No mas control
No mas control
No mas control...

Forever is now or never
Y siempre pienso asi

I gotta get out from this whole
I gotta release el control
Y lo que me quema
No son tus problemas
Keep bringin' me down, down, down

No more

No mas control
