

## The Rich Man

Roadrunner United

Somehow, I think I'm going home  
Even though my friends can't reach me  
I don't know how I ended up alone  
All I know is you can't save me  
They only asked us to believe  
They only wanted us to follow  
I think I'm old enough to see  
I think I'm going home tomorrow

I believe in...  
Sinners and hypocrites  
Burning in the desert for a rich man  
Liars and lunatics  
Lead us to the slaughter for our last stand  
Killers and idiots  
Dying in the desert for a rich man  
Sinners and hypocrites  
Gather us together for the master plan

I didn't bother with my faith  
How will my family recognize it?  
Somehow, I think I'm going home  
But I still can't comprehend it  
I know I don't want to die  
But I know dying will not end it

I believe in...  
Sinners and hypocrites  
Burning in the desert for a rich man  
Liars and lunatics  
Lead us to the slaughter for our last stand  
Killers and idiots  
Dying in the desert for a rich man  
Sinners and hypocrites  
Gather us together for the bastards

I know the truth is all a lie - my skin is cracking on my lips  
I don't pretend that I can understand why we are doing this  
My heart has bled a thousand times - how will I live with what  
we've done?  
The only comfort is the knowledge that I'm not the only one

Why am I here?  
What did I do?  
Why?
