

# Calling Angels

Rob Rock

I need to know if someone or something is there  
Watching every move that I make  
There's got to be a reason for the cross that I bear  
If I open my eyes will I wake?  
Shattered emotions and seasons of change  
Riding the wind bringing troubles again  
Living on the edge I have made my mistakes  
But that was yesterday

Calling Angels, come watch over me  
Catch me from falling I want to believe  
Calling Angels, spread your wings over me  
Cover my heart from pain's memory

I don't know where I'm going  
But I sure no where I've been  
I'm feeling the walls closing in  
I've got to break these chains that are holding me down  
The healing inside must begin

Turning the corner and starting again  
Rise from the ashes, take hold of the flame  
I must faith there's an answer above  
To make it through the night

Calling Angels, come watch over me  
Catch me from falling I want to believe  
Calling Angels, spread your wings over me  
Cover my heart from pain's memory

Calling Angels, come watch over me  
Catch me from falling I want to believe  
Calling Angels, spread your wings over me  
Cover my heart from pain's memory
