

## Judgment Day

Rob Rock

Violence, wrath and chaos  
Blood fills the street  
Generals lead their masses  
Children at their feet

Judgment Day  
Will the sun refuse to shine  
Judgment Day  
When the stars fall from the sky

Come Armageddon  
The woman rides the beast  
Wisdom from the heavens  
Anger, plagues, disease

Judgment Day  
When the stars fall from the sky  
Judgment Day  
Good and evil will collide  
Judgment Day  
There's a rider on the storm  
Judgment Day  
Bringing justice and the sword

Kings of earth are unclean  
Babylon demon seed  
Riches, splendor, blinded by her luxuries

Lead the nations astray  
Kill the prophets and saints  
Deluded and fallen, the mark of the beast

The beast and the dragon are false  
Weeping and mourning cry out  
Scavengers feast, eating your flesh

Judgment Day  
When the stars fall from the sky  
Judgment Day  
Good and evil will collide  
Judgment Day  
There's a rider on the storm  
Judgment Day  
Bringing justice and the sword
