

## Spirit In The Sky

Rob Rock

I search for what I need and everyday I bleed  
Something in my heart that's gone  
And I long for what is real  
I don't know what it is that life's been missing  
I feel like a stranger in this world

I, I'm going to fly, never want to die  
Spirit in the Sky

Fate or free will, the choices that I make  
Is freedom just illusion or something I control?  
I don't know what it is that life's been missing  
I feel like a stranger in this world

I, I'm going to fly, never want to die  
Spirit in the Sky  
I, I will arrive on the other side  
Spirit in the Sky
