Her Diamonds

Rob Thomas

Oh what the hell she said I just can't win for losing And she lays back down Man there's so many times I don't know what I'm doing Like I don't know now

By the light of the moon She rubs her eyes Says it's funny how the night Can make you blind I can just imagine And I don't know what I'm supposed to do But if she feels bad then i do too So I let her be

And she says oh I can't take no more Her tears like diamonds on the floor And her diamonds bring me down Cause I can't help her now She's down in it She tried her best but now she can't win it Hard to see them on the ground Her diamonds falling down

She sits down and stares into the distance And it takes all night And i know i could break her concentration But it don't feel right

By the light of the moon She rubs her eyes Sits down on the bed and starts to cry And there's something less about her And I don't know what I'm supposed to do So I sit down and I cry too And don't let her see

And she says oh I can't take no more Her tears like diamonds on the floor And her diamonds bring me down Cause I can't help her now She's down in it She tried her best but now she can't win it Hard to see them on the ground Her diamonds falling down

She shuts out the night Tries to close her eyes If she can find daylight She'll be alright She'll be alright Just not tonight

And she says oh

I can't take no more Her tears like diamonds on the floor And her diamonds bring me down Cause I can't help her now She's down in it She tried her best but now she can't win it Hard to see them on the ground Her diamonds falling down
