

# Someday

Rob Thomas

You can go  
You can start all over again  
You can try to find a way to make another day go by  
You can hide  
Hold all your feelings inside  
You can try to carry on when all you want to do is cry

And maybe someday  
We'll figure all this out  
Try to put an end to all our doubt  
Try to find a way to make things better now and  
Maybe someday we'll live our lives out loud  
We'll be better off somehow  
Someday

Now wait  
And try to find another mistake  
If you throw it all away then maybe you can change your mind  
You can run, oh  
And when everything is over and done  
You can shine a little light on everything around you  
Man it's good to be someone

And I don't want to wait  
I just want to know  
I just want to hear you tell me so  
Give it to me straight  
Tell it to me slow

Cause maybe someday  
We'll figure all this out  
We'll put an end to all our doubt  
Try to find a way to just feel better now and  
Maybe someday we'll live our lives out loud  
We'll be better off somehow  
Someday

Cause sometimes we don't really notice  
Just how good it can get  
So maybe we should start all over  
Start all over again
