## When the Heartache Ends

**Rob Thomas** 

It's never easy and you never know What leaves you crying And what makes you whole There ain't no way that I can hold it down Falling to pieces Forever in doubt

But it's alright Why don't you tell me again How you'll still be there When the heartache ends It's alright Why don't you tell me my friend How you'll still be there When the heartache ends

There ain't nobody who can show you how To find the surface when you're underground There ain't no blanket that can hide this cold There ain't no memory That ever gets old

And I move all directions To the corners and the outskirts While the lovers and the lonely Start to whisper all about me And if I stand here silent I almost start to feel you fading in Telling me hold on Cuz it's gonna be alright

Say you'll be with me When the heartache ends
