

Brick House 2003

Rob Zombie

Gimme the horns
Ah, she's a brick house
She's mighty mighty, just lettin' it all hang out
She's a brick house
The lady's stacked and that's a fact
There ain't hold nothing back
Now she's a brick house
We're together, everybody knows
And this is how the story goes
She knows she's got everything
That a woman needs to get a man, yeah, yeah, yeah
How can she lose, with the stuff that she use
36, 24, 36, oh what a winning hand
She's a brick house
She's mighty mighty, just lettin' it all hang out
Ah, she's a brickhouse
The lady's stacked and that's a fact
There ain't hold nothing back
Now she's a brick house
She's the one the only one built like an Amazon
The clothes she wears, her sexy ways
Make an old man wish for younger days, yeah, yeah, yeah
She knows she's built, she knows how to please
Sure enough to bring a strong man to his knees
She's a brick house
She's mighty mighty, just lettin' it all hang out
She's a brick house, yeah
The lady's stacked and that's a fact
There ain't hold nothing back
Shake it down, shake it down, down
Shake it down, shake it down, down
Shake it down, shake it down, down
Shake it, shake it, shake it
Shake it down, shake it down, down
Take it down, take it down, down
Take it down, take it down, down
Break it down
Break it down
Yoh
Put your hands in the air like you don't care
Can I get a witness?
Can I get a witness?
Can I get a witness?
She's a brick house, yeah
She's mighty, mighty, just lettin' it all hang out
She's a brick house
And she's the one the only one built like an Amazon
She's a brick house
She's mighty, mighty, just lettin' it all hang out
She's a brick house
She's the one the only one built like an Amazon
She's a brick house
She's mighty, mighty, just lettin' it all hang out, yeah
