

## Cease to Exist

Rob Zombie

Die to live  
The grand illusion  
Step into  
mass delusion  
Creep inside  
And crawl around it  
The one within  
is the one who found it

Cease to exist  
Your mind is breaking free

Everlasting  
Ghosts to follow  
Enemies  
That beg and borrow  
Pretty poison  
Black as morning  
Break it down  
Without warning

Cease to exist  
Your mind is breaking free

Keep all hands inside  
While riding this ride  
You must be so high  
To ride the dark ride  
All you want's inside  
Inside the dark ride  
Keep all hands inside  
While riding this ride  
Keep all hands inside  
While riding this ride  
You must be so high  
To ride the dark ride

Cease to exist  
Your mind is breaking free
