## (Go to) California

## **Rob Zombie**

Blonde haired baby standing by the road A pistol in her hand and talking on the phone Said go to California (go to California) Go to California (go to California) Sidewalk gazing diamonds in the sky Silent movie Gods are flashing in your eye Said go to California (go to California) Go to California (go to California) Get up get out Get inside the outside Get up get out get in Get up get out Get inside the outside Get up get out get in Lon Chaney calling Spelling out your name Where everybody's different But they're all the same Yeah go to California (go to California) Go to California (go to California) You are perfect you are insane We love to watch you break from the pain Yeah go to California (go to California) Go to California (go to California) Get up get out Get inside the outside Get up get out get in Get up get out Get inside the outside Get up get out get in Bump and grind Hit the lights and Strip down on the floor Everybody hates you But they want some more Yeah go to California (go to California) Go to California (go to California) Get up get out Get inside the outside Get up get out get in

Get up get out

Get inside the outside

Get up get out get in

Bump and grind Bump and grind Bump and grind Go to California

Bump and grind Bump and grind Bump and grind Go to California
