## **Iron Head**

## **Rob Zombie**

What is the purpose
Demonoid phenomenon
Regulate the flux and reflux
So get it on
Loose upon the world
Destruct a juggernaut

Suddenly the rats are high Bleed the masses and watch'em cry Slumber like Houdini's dog Die alone out in the fog

Iron Head
Iron Head
Iron Head
Iron Head
Crucify You

Iron Head- Regenerate
Iron Head- Exterminate
Iron Head - Liberate and crucify you.

What is my name
Demonoid phenomenon
Laugh into your face and
Break and I move along
Vent apon the brink
Appear another demi-god

Suddenly forever knows
What it takes and where it goes
Paint it black inside your head
I defy what you have said
