

Lucifer Rising

Rob Zombie

Knock-knock kids get ready to fall
There's 69 in the county pole
Knock-knock tombstone honey-pie
Time to ride, time to jam

Lucifer rising yeah, all the girls scream
"I love you, yeah baby, I love you."
Lucifer rising yeah, all the girls scream
"I love you, yeah baby, I love you."

Knock-knock city it's a red & blue
Go ask tex, he knows what to do
Knock-knock peeps better run the door
Horns held high, drag on the floor

Lucifer rising yeah, all the girls scream
"I love you, yeah baby, I love you."
Lucifer rising yeah, all the girls scream
"I love you, yeah baby, I love you."

We are nothing, we are nothing, we are nothing...rise!
We are nothing, we are nothing, we are nothing...rise!

1969, up on pills and a bottle of wine
1969, the world is high and so am I
1969, Imma lookin' sick, but afeelin' fine
1969...

Knock-knock you coyote fun
one last meal before we're done
Knock-knock got the final drive
no one here's gettin' out alive

Lucifer rising yeah, all the girls scream
"I love you, yeah baby, I love you."
We are nothing, we are nothing, we are nothing...rise!
We are nothing, we are nothing, we are nothing...rise!
