Rob Zombie

Spray paint on a pentagram  
On your face  
Sing it hey hey yeah  
X yourself from the human race  
Come on hey hey yeah  
We are what we are like it or not

Bow before the two headed god  
Sing it hey hey yeah  
A jack boot money with lightning rod  
Sing it hey hey yeah  
We are what we are like it or not

She got the gun get it done  
Bang bang  
She got the gun get it done

Carve a little jesus in your head  
Come on hey hey yeah  
Burn a virgin mary in your bread  
Sing it hey hey yeah  
We are what we are like it or not  
Hey hey yeah

She got the gun get it done  
Bang bang  
She got the gun get it done
